

# The Statistics

ECOC 2012 attracted **5,591** visitors, exhibiting personnel and conference delegates. ECOC reaches an international audience with over **83%** of attendees arriving from the non-host country.

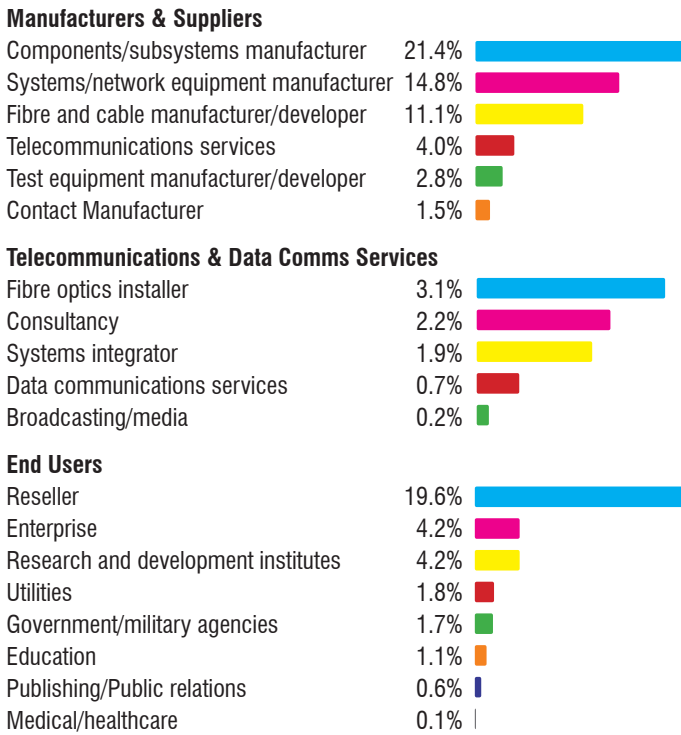

## Percentage Breakdown by Geographical Area

*"The ECOC 2012 exhibition in Amsterdam was an excellent event for Yenista. The company was able to show its new tunable laser and tunable filter in live demos to the key customers in the market. We had a lot of interaction with clients and have a positive feeling about business that will be generated thanks to the show."*

Michiel Van Der Keur - Yenista

## Main Activity of Organisation of ECOC 2012 Visitors
