

After a challenging year in 2020, **ECOC Exhibition 2021** returned to the exhibition hall and a physical event which took place from **13-15 September** in Bordeaux, France. Despite travel restrictions for many of our exhibitors and visitors, the event welcomed **130** exhibiting companies and **2,512** attendees from over **40** countries. Market Focus featured another huge line-up, with **27** presentations from some of the top names in the industry, as well as **12** Product Focus sessions including a full morning session from Infinera and afternoon session from EPIC. See page 2 for statistics from our Virtual Catch Up which took place from 1 -3 November.
